

Packing List

Mountain Site

Required Items:

We have found that camp works best when everyone comes adequately prepared for their time at camp. Therefore, it is essential that campers come with all items on the "Required Items" list. Especially note the need for proper footwear, warm outerwear and an adequate sleeping bag. We are concerned that many campers come unprepared for our outdoor-oriented programs. Our mountain weather is very unpredictable, snow and rain are possibilities campers must be prepared for!

Do Not Bring:

Just as we have found that camp works best when everyone comes adequately prepared, there are some other things that make camp worse if you bring them! Therefore, we ask that campers be mindful and thoughtful in their packing. We have especially found that the below items are harmful or distracting from the type of community that we want to be.

Some of these items include:

- Personal electronic devices (iPods, mp3 players, cell phones, etc.)
- Pets
- Tobacco products, alcohol, drugs
- Junk food or extra snacks (unless on a restricted diet)
- Money or other valuables
- *Anything else that you think would be harmful or distracting from the deep, integrated, life-giving community that we strive to be*
