

About Keenagers

The May Long-weekend is an excellent time to get away to enjoy time in the mountains. Camp is for the young at heart, so if you are in the "over 50 category" don't let your age hold you back! If you come to the Keenagers weekend, you will find out that older folk can have a fabulous time at camp too.

There will be plenty of free time (the entire afternoon on Saturday for example) when you can go for a walk, play scrabble, work with others on a challenging jigsaw puzzle, sit by the fire with a good book, explore local historic sites, or play some horse shoes. More adventurous Keenagers can try their hand at archery, rock climbing or canoeing accompanied by a qualified instructor.

The book exchange is always popular. Bring a book - take a book. (Or simply take a book!)

All this plus relevant Bible teaching and a chance to sing the old hymns at the twice-daily chapel sessions! Why not give Keenagers a try this year? But don't leave it too late to make up your mind. We generally have a full house. The earlier you register the better!

Donations

We at Crowsnest Lake Bible Camp have always run our camps completely fee-free so that everyone can have the opportunity to come to camp no matter their financial situation. We run all our camps by donation.

It costs us about \$70/day per camper to run our camp programs. We are able to continue to run our camps because of the generous donations of people who believe in what we do here. If you are interested in financially supporting Crowsnest Lake Bible Camp you can visit our website for more details (www.crowcamp.ca/donate), give us a call at 403-563-5120, or make your donation while you are enjoying Keenagers this year.
